#### **Cultural Show & Kandyan Dances**

This is one of tourist attraction in Kandy City. The cultural show in Kandy gives you the opportunity to witness a spectacular display of Kandyan dancing. The dance waned in popularity as the support for the dancers from the Kandyan kings ended during the British period. It has now been revived and adapted for the stage, and is Sri Lanka's primary cultural export. The Kandyan Dance is traditionally performed to percussion only. The most common drum is the *Geta Beraya*, which is only used in Kandyan Dance. To assist the dancer to keep rhythm a small pair of cymbals known as the *Thalampota* is also used. The Vannam's however have lyrics that are sung in tune with the movements of the dancer. These lyrics sing about the virtues of the animal that the Vanna is depicting. The dancers were really talented and the costumes were beautiful. Also, the drummers were fantastic - it was impressive to watch and listen to the rhythms. The show lasts about 1 hour and shows you all kinds of different dances, the cobra dance, mask dance, acrobatics and the Ginisila (showing power over fire by walking and playing with fire).

Lake Club, Kandyan Art Association and Cultural Centre are the places where you can visit to avail this event

In 1873, the tea export industry of Sri Lanka began with a modest 23lbs being shipped to London. In 1996 Sri Lanka has produced 258 million Kgs. of tea and has earned Rs. 34,068 million by exporting 244 million Kgs of tea.
