ISTANBUL

Istanbul, the only city joins Europe and Asia; located on both sides of the Bosphorus, uniting the East and the West on the terms of culture, art and religion. Halic Bay (Golden Horn) a horn-shaped bay located on the European side of Istanbul is one of the most beautiful natural harbors in the world.

It is Istanbul's endless offers of varieties that fascinate the visitors. The museums, churches, palaces, grand mosques, bazaars and sights of natural beauty seem innumerable. Reclining on the western shore of the Bosphorus at sunset contemplating the red evening light reflected in the windows of the opposite shore you may

understand why so many centuries ago settlers chose to build on this remarkable site. The history of the city, which is known as the "Capital of the Empires", goes back to ancient times. The city was founded by the Megaras in A.D. 658 and was named Byzantium after their commander Byzas. It was developed very rapidly and turned into a large trade center, existed for hundreds of years as the capital of the Roman, Byzantine and Ottoman Empires.

Today it has become Turkey's most important tourism, trade and industrial city with a population over 13.5 million. The most beautiful historical works of Istanbul are at the historical peninsula inside the city walls between the Marmara Sea and the Golden Horn. One could visit Istanbul for the shopping alone. The Kapali Carsi, or Covered Grand Bazaar, in the old city is the logical place to start with more than 4,000 shops. Sultan Ahmet which known for its Three glorious periods, Roman, Byzantine, and Ottoman, most of the famous and historical sights of Istanbul are located in this area. Topkopi museum A Must See will surprise you with the glimpse of history and culture treasure. It is formed in a 400 years old palace of Ottoman Kings. Istanbul a city where you see Asia & Europe penetrating
