### Maldives

Maldives the smallest Asian country, which consist small islands spread in the Indian Ocean; Total 1,192 Islands of which Two hundred islands are inhabited, its population is almost 300000 (Three Lacs) it is only 4ft Higher above sea level on average, the highest point of Country is 7ft High, Situated 700 Km South of Sri Lanka in Indian Ocean, Islam introduced in 12<sup>th</sup> Century and rapidly widely spread, Islam is the only religion in Maldives and 100% Population is Muslim, In 1887 it became a British protectorate. In 1965, the Maldives obtained independence from Britain, Sultan of Maldives ruled it till 1968 than Sultanate was replaced by a Elected Republic

Since old times Maldives is the destination for the tourist and travelers from all over the world specially Arabs, the famous Arab traveler Ibn e Batuta has stayed in Maldives for a pretty long period and provided much useful details about daily life, culture, traditions and politics in these Islands; in the travelogue he wrote about Maldives, today Tourism is the largest earning industry in Maldives, Which provides employment to a large number of Maldivians (and foreigners too ... whom big part is Srilankans), also it is the only source bring the foreign currency in Maldives. "Sunny side of life" as Maldives is called today, gives you a wonderful experience of escaping from daily routine life, you feel surprise when you come out from Airport and you find a Boat instead of traditional Taxi Stand. The island resorts are filled with freshness of life, No pollution, each island has its own world and unlimited activities to keep you interested, it's clear water and underwater white sand gives you a crystal clear view to the depth of seas, as far as climate is Concerned Generally warm and humid. Sun shines all year through, average temperature around 29 - 32 °C, but because of the excess humidity you sweat a lot, if you planning to visit Maldives, **Sun Block cream is a Must.** You will discover a new whole astonishing atmosphere in these Tiny islands, where even today *Time Stands Still.*
